ELECTRIC:	Up to 35 miles per charge, top speed 50 mph	Cost: \$3995

- \* Base prices as of July, 1981 subject to change without notice.
- \* Sold only direct from Burnsville at this time.
- \* Showroom open daily 9:00 am to 4:00 pm. Test drives by appointment only. Closed weekends.

## THE "FREE-WAY" IS:

1. The only vehicle guaranteed to get 100 miles per gallon at a steady speed of 40 mph when run per test.
2. Capable of 700 miles of driving on one tank full of gas.
3. Made of a durable fiberglass body that won't rust!
4. The only year-around vehicle that gets better mileage than a moped or a motorcycle.
5. Can be driven on ice or snow and is available with a heater system
6. A comfortable one passenger vehicle with enough space for two to ride in tandem for short distances. With two riding, there is still a storage area.
7. Designed to be serviced by the owner.
8. Custom built on a limited basis and can be delivered in 6 months. \$25.00 non-refundable down payment, balance on delivery.
9. Over 300 vehicles are on the road as of July, 1981.

NOW YOU CAN LEARN ALL OF THE DETAILS OF OUR EMERGING TECHNOLOGY FROM OUR JUST REVISED BOOK: "HIGH MILEAGE VEHICLES A NEW TECHNOLOGY", ONLY \$2.95 PPD.

It is packed with pictures, drawings, details, models, specifications, performance information, options, future gas pricing trends and more. Both the electric and the gas models are discussed with illustrations of engine and transmission. Price lists and updates on recent developments also included. This book is a necessity for ordering a "Free-Way" vehicle because it describes all aspects of the vehicle and optional equipment. Everyone who has read the book has been favorably impressed and many have ordered vehicles already! Send your \$2.95 today to: H-M-Vehicles, Inc., 12123 South 16th Ave., Burnsville, MN 55337. You will have a copy in one week while the current supply lasts. We have sold 10,000 copies at \$4.95 and now offer it at \$2.95.
